Itinerary

The Egyptian Museum in Cairo is one of the largest museums in the world. Your Egypt Tours will take you on a four-hour tour to explore the museum's treasures (opened in 1901). Look at the amazing monuments and artifacts in its different halls on this guided tour.

Although the museum has tens of thousands of artifacts in this short tour, your Egyptologist guide will focus on the highlights and masterpieces of the museum.

Visit the Tutankhamun Wing on the first floor and see his wonderful collection of historically significant artwork. The treasures are mainly golden and cover quite a large section of the museum. This area of the museum includes significant statues, furniture, and gold sculptures. After enjoying the guided part of the tour, take some free time to browse the museum.

After seeing the highlights and the masterpieces, you will be dropped off at the hotel.
