Itinerary

Join Your Egypt Tours on a journey across the highlights of the East Bank of Luxor. Explore some of the most impressive temples found in Upper Egypt while in the company of your personal tour guide.

Begin your tour by visiting the [Temple of Karnak](#), a complex of temples that have been built across the life of several pharaohs. The oldest ruins present here are over 3,000 years old. Explore the Great Court of the Hypostyle Hall and marvel at the 134 massive columns. Visit the sacred lake located behind the temple and learn about how the pharaohs and their offerings were purified. Your experience can be enhanced further with the optional **sound and light show in Karnak**. After your guided tour of Karnak Temple, you will have additional free time to explore at your leisure.

Continue to the Temple of Luxor, which was once joined with the Temples of Karnak. Traverse the Avenue of the Sphinxes, which once served as the connecting path between these two ancient places of worship. Along the path, you will find masterfully crafted sphinx statues on each side. Marvel at the statue of Ramses II, which dominates the main entrance. The temple's interior is decorated with intricate hieroglyphics, which your guild will help you decipher.

Return to your hotel after leaving the Temple of Luxor, concluding a memorable Luxor day tour.
